Past Perfect
had + V3

Прошедшее завершенное время

Past Perfect используется, чтобы рассказать о действиях или ситуациях , которые произошли до другого действия в прошлом или до определенного момента в прошлом.

Указатели времени: *for*, *since before*, *after*, *when*, *by the time*, *until*, *just*

had + V3

We went out with our friends after we had returned from school.

She had just finished watching TV when her mother entered the room.

He had worked on the project for a month.

Had+ V3…?

Had you finished your work when the manager arrived ?

How long had she known him before they married?

Since what time had they lived in the city?

Had not + V3

I had not (hadn't) had my lunch yet when the bell rang.

We have not (haven't) been eating pizza for a long time.

She had not (hadn't) seen her friend for a long time when she met her in the street.
